LUDONG UNIVERSITY

Ludong University Admission for International Students (2021 Fall Semester)

»» University Profile

■ Ludong University (LDU), a provincial university founded in 1930, is located in Yantai, one of China's "Most Glamourous Cities". The university has been strong in humanities, science and engineering, all fields developing concertedly.

LDU has 30,000-plus students in 22 schools, which offer 87 specialties for bachelor programs, 29 specialties for master programs, and 1 doctoral program. It boasts in 13 provincial key programs of Shandong Province, namely English Language and Literature, Vehicle Operation Engineering, Linguistics and Applied Linguistics, Physical Geography, Higher Education, Operational Research and Cybernetics, Regional Economics, Port, Coastal and Offshore Engineering, and Applied Statistics.

It is engaged in extensive and substantial international exchange and cooperation with nearly 100 universities and institutions in over 20 countries such Republic of Korea, Japan, the United States, Russia, Australia, Canada, and France.

■ It started to offer International Student Program since 1989, with a to-date total enrolment of 14,000 international students from over 60 countries of five continents. All international students are eligible to apply for Chinese Government Scholarship, 'Hanban Scholarship', Shandong Provincial Government Scholarship for International Students'.

In 2019, LDU became one of the first 22 universities in China which passed the official quality certification of international student education and management, and also the only one passing this certification in Shandong Province.
